Sundays 9.30am-3pm

BOOKINGS

Our booking system opens 3 months in advance from any given date. Booking rules remain the same, with 14 being our maximum group size. No exceptions, no splitting larger groups across tables. We believe quality takes precedent -- and our kitchen is deceptively small, limiting our capacity. You can book online or by phone.

DEPOSITS FOR GROUPS 6+

There will be a £10pp deposit taken from your card if making a group booking for the month of December of groups of 6 and over. This is taken through OpenTable and removed from your bill on the night. Should group numbers change within 48 hours of the booking, this £10pp deposit will become an automatic no-show penalty fee per person, and will not be refunded nor can it be redeemed on your bill. Should you cancel the entire booking within 48 hours, no refund is given. We regret there is no leeway with these deposit rules.

SEASONAL MENU

As our main menu is super seasonal and based on a farm-to-table concept, we do not also run a 'Christmas' menu alongside it. It is festively inspired during December due to the nature of the locally sourced fresh food that we produce!

The December winter menu will be launched by 1st November, but don't worry - your favourite dishes are never removed, just modified for the season! Check out our current sample menus on our website, for an idea of what we serve. We don't do a limited set menu, as food quality is always our focus.

CHRISTMAS PARTIES

Please let us know if you're celebrating a Christmas Party, and let us know if you'd like complimentary [plastic-free eco] Christmas crackers on your table for the celebration!

CONTACT US

Give us a quick call on 01303 470598 to book or enquire about a Christmas Party, and ask for management.

Note that the details and times stated above may change nearer the time.
